The safety of our community is our top priority. In accordance with health and safety protocols, performers and all involved must follow all guidelines. More details will be available in the Recital Packet.

HEALTH CHECK. A current “green health checkmark” must be verified for all those participating in the recital by the recital performer or a stage crew member in the case of a solo performance. The health check is available through the Ohio State app.

TRACKING. We are required to maintain records of all personnel involved with every event/performance. The Recital Packet includes a form where you must provide a list of all personnel involved with the recital. This includes you, your accompanist(s), page turner(s), an collaborators or other performers. It is NOT necessary to list crew members, who will be tracked by production staff. You will submit this form with the rest of your required documents.

NO AUDIENCES. This includes no students from the same studio. Only committee members permitted in the seating area (and stage crew in the room.) Livestreaming will be provided.

MASKS. Solo or chamber groups of 5 or less may choose not to wear masks during a recital if ALL agree. Proper distances must be observed, and the recital must take place in an appropriate space with adequate HVAC. School of Music policies on bell covers and spacing to be observed:
  • 6’ strings
  • 10’ brass and winds

All personnel involved are to spend no more than 60 minutes total in the space. For example, if your recital is at 8 p.m., set would be from 7-7:30, you would have a soundcheck time from 7:30-7:45 with a mandatory room rest from 7:45-8 p.m.. The performance would start at 8 p.m. For Sr./Gr. Piano, Gr. Strings, Gr. Chamber recitals it may be possible to have more than 60 minutes performance time by including a 15-min. room rest after the first 60 minutes. Then as much as another 45 minutes could be available. 15 minutes of room rest will be observed just prior to the start of the performance.
